Subject: Seeking valuable participation at the “Mujib100 Industrial Exhibition” organized by the University Grants Commission of Bangladesh (UGC).

Dear Sir,

The International Conference on “4th Industrial Revolution and Beyond (IC4IR) 2021” is being organized by the University Grants Commission (UGC) to be held through both physical and virtual online formats from 10 & 11 December 2021. On the 100th Birth Anniversary of the Father of the Nation of Bangladesh, Bangabandhu Sheikh Mujibur Rahman and 50th Anniversary of Independence of the country, the University Grants Commission (UGC) is planning to create a premier international forum for bringing together researchers and practitioners from diverse domains to share cutting-edge research results obtained through the application of artificial intelligence, the internet of things, data analytics, and cloud computing to solve problems in the industrial domain. “Mujib100 Industrial Exhibition” is going to be organized at this conference. The “Mujib100 Industrial Exhibition” will be a perfect hub for collaboration between the industry sector and academia.

This Exhibition is targeted to industrial sectors like Education, Employment, Healthcare, Automation, Agriculture, Built Environment, Banking & Financials, Retail & E-Commerce, Transportation and Tourism, Security and networks, Communication, Software Industry, RMG/Product Design, Manufacturing, Food Industry, Pharmaceuticals, Furniture and Appliances, Government Agencies, Business Associations, SME and others.

The objectives of this exhibition are:

- Creating strategies to bring industry problems to the academia for productive and effective solutions
- Creating an unparalleled platform for INDUSTRY-ACADEMIA collaboration
- Industry-Academia Collaboration-ES
- To formulate a policy for the implementation of the Fourth Industrial Revolution through industrial academia collaboration
- Creating a database for student internship opportunities
- Introduce innovative education systems to bridge the gap between industry and academics
- Engage in the IAC process by enhancing the skills of academic and industry personnel

In this event, we will be bringing more than 100 industries to get involved with the experts around the globe and create a unique platform to strengthen the Industry-Academia Collaboration which will lead us to a better Bangladesh as per the dream of our Father of the Nation, Bangabandhu Sheikh Mujibur Rahman.

In this collocated event of the conference, we are expecting to have-

- Series of webinars and seminars from the experts to bring the current scenario of the industries to the open the doors for academic collaborations,
- Recognition to 100 industries for their participation and contributions.
- Industry Demos from more than 50 industries to showcase their strength to the conference participants
- Building a network with experts from all over the globe to improve the current industry-Academia collaborations
- Creating a platform for the stakeholders to sign MoU(s) for collaborative research forum
